**Left:** Jeremy Hebeda holds a *huge* 44 inch hybrid he pulled out of Hayward area lake while fishing with his dad Dave Hebeda. This fish came during the first hot spell at the end of June.

## FRV YOUTH EVENTS - COMING and GOING

**Friday, June 26th**, FRV pulled off another great youth event on Silver Lake in southern Wisconsin. Fishing conditions were tough for the 20 kids (sunny and low 90s!)...but one muskie was caught along with lots of pike. Prizes and awards concluded another *outstanding* day. Check the website for more details.

**Saturday, August 15th** ~ Annual Bartlett Fishing Derby. Been doing this one a long time. Volunteers **always** needed to help run this one. From 8 to Noon, at Beaver Pond (Stearns Rd. just east of Rt. 59). Great awards, prizes, raffle. Give us a hand! Contact Mike Zaborowski. Check the Bartlett Derby thread in the FRV Forums.

## ~ OPERATION WELCOME HOME! ~

Would you like to honor the brave men and women defending our country? We'll here's your chance! Take one of them muskie fishing! Some time in late August/early September, the 33rd Military Police Company will be returning home from a tour of duty in Afghanistan. Many of these brave soldiers are from our area. What better way to welcome them back then to get them on the water chasing the elusive muskie!

So we're looking for people interested to volunteer their boat and their time to take a soldier fishing on the Fox Chain on the *tentative* date of **September 26**. Twenty to twenty-five boats would be ideal for this event. If you're interested in volunteering, or need more information, please visit the FRV website. Thank you!
