

**THE FOX RIVER VALLEY CHAPTER PROUDLY PRESENTS
JORDAN WEEKS
WEDNESDAY APRIL 8TH 2020
AT THE SCHAUMBURG GOLF CLUB**

Jordan has worked for the Wisconsin DNR since 1994. In 1999, he received a BS, double majoring in both Fisheries and Biology from UW-Stevens Point. Jordan has worked at the Escanaba Lake Fisheries Research Station, and in Minocqua/Woodruff, Eau Claire, Spooner and La Crosse. In 2005 he earned a Master's Degree in fisheries from UWSP researching comprehensive walleye and muskellunge movement in the Manitowish Chain of Lakes. Jordan currently works as Mississippi River Fish Team and Musky Standing Team (Statewide

Musky Management Team) Leader. He is also Wisconsin's representative on the Esocid Technical Committee (part of the American Fisheries Society) working with fisheries representatives from the Dakota's, Illinois, Indiana, Iowa, Kansas, Michigan, Ontario, Minnesota, Missouri, Nebraska, and Ohio.

In addition, Jordan has been a Musky Hunter Magazine's Research Editor since 2006, authoring more than 80 articles and orating more than 100 public presentations. He began fishing for muskellunge at age 16. Jordan uses science in conjunction with muskie biology, life history, habitat use, diet trends, and past angling experience to help shorten the time between catches. He also enjoys teaching others how to use science to catch more fish! Jordan works closely with Lake X Lures, TNA Tackle, St. Croix Rod, Stealth Tackle, and Musky Hunter Magazine to make muskie catching easier!
